Mini MEDopathies Family Meetup

Friday, December 4, 2026 · Denver, Colorado

MED12, MED13, and MED13L families together for a full day. Accessible, respite-supported programming, so you can take part and your child is cared for.

BIOSAMPLE COLLECTION ON SITE

COMBINEDBrain and **Simons Searchlight** will be on site to collect biosamples, so you can contribute to research without a separate trip.

TIMED WITH AES

Scheduled just before the **American Epilepsy Society** meeting in Denver, while clinicians and researchers are already in town.

DRAFT AGENDA (subject to change)

10:00–10:20	**Welcome & purpose** How this fits with the Summer 2027 meet-up (Chicago); housekeeping.
10:20–11:00	**Family-focused speaker / resource** Shared symptoms, prevalence and support.
11:00–11:45	**MEDopathies Strategic Roadmap + Q&A**
11:45–12:45	**Lunch with discussion tables** Working lunch; fluid discussion tables across communities.
12:45–1:30	**Invited Speaker: Making MEDopathies Actionable**
1:30–2:00	**Family resource sharing / closing** Final questions, resource exchange, and close.
4:00–6:00	**Family Fun Meetup** Offsite Informal community social at an offsite location.

TICKETS & ROOM BLOCK

$35 per adult, free for children (subsidized). Rooms at the **Grand Hyatt Denver**, **$159/night**, group code **G-SLC6**.

Register

$35 adult · children free
