A NOTE FROM A PALO ALTO FAMILY

We're asking local businesses to help us fill the auction table this October.

We are a Palo Alto family. MED13 syndrome is the rare condition our son Arturo lives with. About 200 children worldwide have been identified, there is no treatment, and there is no one to call. On October 10 we are holding our first fundraising evening at the Unitarian Universalist Church of Palo Alto, with local families, Bay Area researchers, and the people funding the work in one room.

WHAT YOU GET

Named on the item card and read aloud from the stage as your item is bid on.

A thank-you to our mailing list and social channels, tagged to your business.

Your name in the printed program every guest takes home.

An invitation to the evening, so you can meet the room yourself.

What would be easy for you to give?

A gift card
Any amount, and the fastest to sell.

A dinner, tasting, or case of wine
Experiences and bottles draw the highest bids.

A service or treatment
A massage, a facial, a class, a month of coffee.

Your craft on the night
We still need a photographer, and musicians or performers are welcome.

Items from **$75 up** tend to draw the most bidding, and higher-value experiences anchor the whole auction. We are grateful for anything.

Come as our guest, bring the people you work with, or pass this along to someone who would enjoy it.

IF YOU DONATED AN ITEM

An invitation is yours, with our thanks. Email us and we will put your names on the list.
